WINTER / SNOW

Winter Parking Ban

No person shall leave standing any vehicle upon any village street between the hours of 1 AM and 6 AM from **December 1 through April 1**. This will be **strictly enforced** when snow removal equipment is in operation.

Snow Removal

A reminder to property owners who have a sidewalk on your property - you are responsible for keeping your sidewalk clear of snow and ice. **If the sidewalk is not clear**, village employees will clear it and the **cost will be billed to the property owner** unless other arrangements were made with the Village Board.

Mark Property Behind the Curb

If you have any shrubs, fences, etc. that are close to the curb or street, please mark them with posts and flags. Those operating snow removal equipment need to be aware that there is something buried under the snow. Manitowoc County will be doing our snow plowing this year.

General

- This is the time of the year for snow and ice problems on village streets; please **cooperate with County and Village employees** during this winter season.
- For safety reasons and per village ordinance, please **refrain from blowing or shoveling snow into the street**. The village may impose a penalty of not less than \$25 nor more than \$500, together with the costs of prosecution for each offense.
- The village and county are **not** responsible for damage to lawns, etc. caused by snow removal.
- Please **keep garbage/recycling carts behind the curb** while it is snowing. This allows the plows to keep the roads clear.

Three Village Trustee terms will expire on April 15, 2025. Nomination papers are available for the Village Trustee Terms of Dan Gintner, Bob Schnell, and Dan Stephani. (You can include license information with your tax payment; however, please pay with separate checks.)

There is a \$20.00 late fee per animal licensed after April 1, 2025.

REPORTING STREETLIGHT PROBLEMS

Do you have a streetlight that is not working properly? You can report the problem directly to WPS. Simply go to the WPS website: wisconsinpublicservice.com/secure/ssl/acct/street_light to complete and submit a short form. You will need the pole number, located on a metal plate on the pole (normally a 6-digit number-letter combination).

POLICE SPOTLIGHT

Police Chief Al Bonfigt would like to remind drivers that the speed limit in the village is 25 MPH. Since the installation of the speed boards, speeds have reduced significantly. Help keep the village safe and drive responsibly! Please keep vehicles and homes locked when gone due to increased thefts of unlocked cars and homes. Also, when you are gone, leave a light on. If you have a police matter, you may call the **Manitowoc County Sheriff non-emergency number 920-683-4200**. When Al and/or Dylan are in the Village, they radio into county traffic so that the county is aware that they are working. If they are not on duty, a county officer will be sent.

GARBAGE / RECYCLING

Garbage & Recycling pickup is every **Thursday**. Have carts on the curb by 6 AM. GFL would like you to place your carts at least **three (3) feet apart** at the curb. Call the office if you have questions.

See additional insert for more information.
