WE'RE HIRING - PUBLIC WORKS EMPLOYEE!

The Village of St Nazianz is seeking a qualified individual to join our team as a Public Works Employee. For more details see the Job Description posted on the village website. Applications are accepted until the position is filled.

PROPERTY GUIDELINES

Summer is a time to enjoy the outdoors, please do your part in keeping your property well maintained. Action will be taken against property owners who do not comply. The village can and will fine/ticket those properties who remain out of compliance. Note the following guidelines when maintaining your property:

Tree Trimming

Please trim your trees that hang over the street. They should be trimmed behind the curb and 14' above the street. Call if you have questions.

General Yard Maintenance

Please cut and/or trim your yards including the back yards of your property. Long grass and weeds provide a habitat for wild animals that we do not want to come into the village. Please mow the edge of your lawn along the curb so the grass blows into your yard. Do not blow your grass clippings onto streets -- it blocks up the storm sewers. You must remove all junk from your yard.

Unlicensed Inoperable Vehicles

vehicles must be licensed and operable to remain on your property. If not, they are considered junk vehicles and must be removed from the Village. See Ordinance:

- **Sec. 34-151. – Junked vehicles and appliances on private property.**

Storage of automobiles restricted. No disassembled, inoperable, unlicensed, junked, or wrecked motor vehicles, truck bodies, tractors, trailers, farm machinery or appliances shall be stored or allowed to remain in the open upon private property within the village for a period exceeding ten days.

ATTENTION PET OWNERS

All pets must be kept on a leash or inside of a fence. Be responsible and scoop your poop. Please be sure to have proper clean-up materials with you and immediately clean up after your pet.
