

April 28, 2025 – Park Commission

The meeting was called to order by Dan Stephani at 5 PM at Oschwald Park.

ROLL: Dan Stephani, Gene Radder, Dennis Gutman, Cody Schmidt, Bob Schnell, and Rebecca Abrams

Also: Mike Lenzner

Absent: Rich Galien and Chris Schaller

OLD BUSINESS

1. Park Restricted Fund - \$25,995.49
2. Park Shelters
 - Shelter Ceilings – OSB has been purchased. The plan is to have some of the village part-time employees install the ceiling and paint it a grayish color.
 - Shelter Ceiling Fans – Bob Schnell will pursue purchasing and placing a ceiling/exhaust fan in shelter #2 kitchen like what was put in shelter #1.
3. Ash trees – Dan Stephani is getting quotes to take out 3 trees in the park along with various other trees throughout the village.
4. Mulching – mulching needs to be done this year, as well as pea gravel around the grills.
5. Parking Lot Landscaping – A few more rocks need to be place around the parking lot once the east side has been leveled. After all the rocks are all in place, clear stones will be added around the perimeter.
6. Disc golf -- Add gravel.
7. Tennis Courts – get a quote to repair courts and add pickle ball, tennis, and batting cage. Once we have an idea on the cost of upgrading this area, the committee can look for funding for the project.

NEW BUSINESS

1. Volleyball Court – the committee discussed whether to keep the volleyball courts. One idea was to change to have only 1 court. We need to make sure a net gets put up this year.
2. Flag – new flag needs to be put up in the park.

ADJOURNED: Cody Schmidt made a motion to adjourn at 6 PM, seconded by Bob Schnell. Motion carried.

Dan Stephani, Chairman
